

## Diploma courses offered at ISL 2025 – 2027

Start by circling one subject from each column in groups 1-6. The only substitutions allowed by the IB are:

1. If you are bilingual, you could circle two language A subjects in group 1, in place of a language B in group 2.
2. By taking ESS as both the group 3 and 4 subject, you can take two arts.
3. It is possible to replace an arts subject in group 6 with another subject from groups 3 or 4.

If taken as both, this allows you to choose an additional subject from group 3, 4 or 6).</i>		<i>Please speak with your mathematics teacher about the appropriate course for you.</i>	

Next, transfer your subject choices into our timetable onto the **Diploma Options Form** by circling one subject in each column (A-F). A school-supported self-taught language A: literature SL course in the final column could replace one column in A-F – please speak to Mr Humphrey if you are interested in this option. Once the **Diploma Options Form** is completed on both sides and signed by all required parties, **please return both sides of that sheet to Mr Humphrey by Wednesday 5 March.**
